REQUEST CERTIFICATE

Dear _____ (Manager):
(Grocery or Natural Food)

Please consider offering amande almond milk yogurt products as an option for people who want to eat healthy and delicious food. Amande almond milk yogurt has six live and active cultures that have been shown to offer significant health benefits when included as a regular part of our diet. Amande products are sweetened only with fruit juice (peach & pineapple) and contain no refined sugar.

Please add amande almond yogurt to your offerings.

Thank you for your consideration.
